Salsa

From epic singletrack to bikepacking excursions, there's a Salsa bike that will enable your two-wheeled adventure habit.

Hit the dirt

You've never had this much fun on a hardtail. The Timberjack NX1 has 27.5+ tires that roll over obstacles whether you're shredding or exploring.

Dust, sun & cycles

Tucked away in central Washington, 20 miles of desert singletrack beckon riders during shoulder seasons—and are a great spot to see the Timberjack NX1 in action.
