## INFORMATION BUILDERS TOWN HALL

# A Quarterly Update For Customers and Partners

**Date:** Wednesday, December 11

**Time:** 11:00 - 12:00 PM EST

**I'd like to attend**

We're delighted to invite you to attend our first [Town Hall webinar](#), a quarterly update for customers and partners.

This new webinar series will treat customers and partners to perspectives from the Information Builders leadership team, with an emphasis on what we're doing to help you create your roadmap, strategy, and solutions for successful digital transformation. We'll talk industry trends in the data and analytics ecosystem, highlight best practices, and showcase great stories of innovation with data.

Each session will also include special guests and an opportunity for Q&A.

Here's the agenda:

### **What's New at Information Builders**

We will talk about our commitment to continuous innovation and

customer success, and what we're doing to help customers and partners thrive in a complex and changing world.

**Speaker:** *Frank J. Vella, Chief Executive Officer, Information Builders*

### **Sunset Transportation**

Hear how Sunset leverages a mix of internal and external data and embeds robust analytics into a larger application to help clients reduce shipping costs.

**Speaker:** *Todd Burdell, Director of Business Operations, Sunset Transportation*

### **Product Close-Up**

Hear the latest product innovations, including our new Designer homepage experience, our journey to harness the speed and power of the cloud, and our mission to help you get there.

**Speaker:** *Eric Raab, Senior Vice President, Product Engineering*

[Register now to save your spot.](#) We hope you can attend!

### **SPEAKERS**

**Frank J. Vella**  
**Chief Executive Officer,**  
**Information Builders**

With nearly 30 years of experience in the technology industry, Frank J. Vella is a proven technology executive who specializes in identifying market opportunities, developing growth strategies, and delivering results. As the chief executive officer for Information Builders, Frank leads the executive team to develop growth strategies, identify new market opportunities, and drive the company's expansion efforts.

**Eric Raab**

**Senior Vice President,  
Engineering and Product  
Information Builders**

Eric Raab is a technology executive with more than 20 years' experience building and leading organizations in software, networks, and telecommunications. As senior vice president of Engineering and Product, Dr. Raab aligns business and technology, while leveraging his technical, engineering, and development expertise to lead and manage the product and engineering teams.
