2003 Pacesetters Set to Hit the High Seas

Spacious, elegant, and luxurious, the Radisson Diamond cruise ship will cater to the needs of every Pacesetter winner.

The 2002 Pacesetter winners know the rewards of going that extra mile with their memories of sun-drenched beaches, aquamarine waters, and warm trade winds from their recent Pacesetter trip to Puerto Rico. Next year, Arrow's Pacesetter program offers another tropical escape for potential winners who reach for the gold and become the best of the best. And if you're ready to be part of this elite group, then panoramic seascapes and warm Caribbean breezes will greet you aboard the Radisson Diamond, an intimate, yet expansive 350-guest ship that will set sail for a five-day cruise to exotic and picturesque destinations.

Tropical Ports of Call

Spacious, elegant, and luxurious, the Diamond cruise ship will give you the opportunity to visit some of the most beautiful and lively spots in the Caribbean. The journey, scheduled from April 13 to April 18, 2004, will begin with a trip to San Juan. The Diamond will launch from there and cruise to such ports of call as Virgin Gorda, St. Maarten, and St. Thomas, where pristine beaches, warm weather, and crystal-clear waters await you and the rest of the

Pacesetter winners.

One spectacular getaway that boasts expanses of natural beauty, a colorful island history, and an international flavor is Virgin Gorda of the British Virgin Islands. Virgin Gorda is the second largest island in the Virgin Islands with a mountainous center that connects three different areas: the North Sound, the Beach Coast, and the Baths, which features exotic pools and grottos formed by giant boulders nestled on its sandy beaches.

Next, the ship will make a stop on the island paradise of St. Maarten. This sun-drenched island offers an array of sporting activities, a vibrant nightlife, and scenic beauty. You and your fellow Pacesetters can find whatever you're looking for—whether it's adventure, excitement, or just plain relaxation—St. Maarten has it all. And it's the only completely duty-free island in the Caribbean, offering some of the best shopping in the region.

You'll also be cruising to the exotic locale of St. Thomas. One of the many attractions on this palm-fringed island is Magens Bay Beach, said by *National Geographic* magazine to be one of the most beautiful beaches in the world. One of the highlights of this island is the famous Havensight Mall, the most popular one-stop destination on the island for all shopping, entertainment, and service needs located next to the Cruise Ship Dock.

Secluded beaches. National parks. Duty-free shopping. Water sports. Tropical forests. Fine dining. Exciting nightlife. Sun, sand, and surf. You'll have it all. And the Radisson Diamond will be your ocean chariot as it wraps you in the lap of luxury.

Cruising in Luxury

The Radisson Diamond cruise ship features all-outside deluxe staterooms with breathtaking ocean views. Most of these rooms offer private balconies. The ship's crew of 227 will be on hand to cater to your every need.

During the day, you and the rest of the Pacesetter winners can relax on deck by the outdoor pool, whirlpool, and pool bar. The ship's boutique offers a variety of souvenirs, gift items, and beachwear. At night, the Diamond's casino will be the hot spot for those who like to live on the edge. Blackjack, roulette, stud poker, and slot machines will abound in a sophisticated and relaxed atmosphere. When it comes to dining, Pacesetters will be treated to a six-star cuisine and an internationally stocked wine cellar poised to please the most discriminating palate.

With blue skies, gentle breezes, and the beauty of the Virgin Islands, next year's Pacesetter trip will allow winners to take home their own memories—and the prized honor of being known as the best of the best.
