### A New Story Under the Sea

Rediscover the adventure, music and magic in this Broadway-style production developed exclusively for the Disney Wish.

Dive into a dazzling adaptation of the Disney animated classic *The Little Mermaid*. Adventurous mermaid Ariel longs to explore the forbidden shore above. After falling in love with a human prince, she strikes a risky bargain with the sea witch Ursula, trading her voice for human legs. But, unless she and the prince can share true love's kiss before the sun sets in 3 days, Ariel will be doomed to serve the sea witch forever.

This dazzling retelling begins when a group of storytellers find an enchanted treasure chest. As they explore the whozits and whatzits hidden within, the story of *The Little Mermaid* comes to life, featuring a reimagined script and jaw-dropping visual effects sure to leave the whole family speechless.
