The Best Resorts for Skiing from Extra Holidays

Cozy up by the fireside with a warm drink after a thrilling day spent schussing through the slopes and traversing scenic trails in the Berkshires' wintry wonderland. Enjoy winter activities for all ages and levels of ability in Smugglers' Notch, Vermont, home to three interconnected mountains. Play in the world's only trademarked snow, the "champagne powder" of Steamboat Springs, Colorado. If skiing isn't your cup of cocoa, you can still experience the fun of après ski, without hitting the slopes. Join the vibrant nightlife in Bend, Oregon, from microbreweries and martini bars to live music venues and award-winning restaurants. Indulge in luxury shopping and dining at Avon, Colorado's Beaver Creek. Melt the chills away in Snowbird, Utah, with a pampered spa treatment or mountain-view yoga class.

Enjoy the below resorts as your homebase to experience all the ski destinations have to offer! No matter what you choose, there is room for the whole family because most suite accommodations offered by Extra Holidays feature private bedrooms, separate living/dining areas, full or partial kitchens and conveniences like a washer/dryer as well as extraordinary amenities like lazy rivers, on-site sporting facilities and resort activity programs.
