- ✓ Experience: we set a minimum experience of three years for our therapists.
- ✓ Professional Pedigree: we check practice history to determine success rate.
- ✓ Training: we maintain strong professional standards through consistent training and supervision

Client Testimonial:

- For years, my wife and I have struggled to understand each other's needs. When we discovered @ScannerApp, our relationship vastly improved and now we are back on track and happier than we've ever been!
- My relationship with my girlfriend had reached a tough patch and communication had broken down. Then I found out about @ScannerApp, and we were able to identify the issues that were coming between us. Our renewed trust and understanding has strengthened our relationship!
- @ScannerApp helped me get through one of the worst experiences of my life when my husband and I got divorced. Their professional counselors were truly a lifesaver, allowing me to achieve closure and gain new insights into myself.
