

Plain Mulch

Professional gardeners and landscapers know that fresh, rich mulch plays a big part in lawn maintenance and overall care. It can help your plants and flowers stand out, giving your garden a neat look. Our plain mulch helps make your backyard look more appealing and organized, as well as adding vital nutrients to your soil to help keep your greenery fresh and healthy. If you're in the market for some of the highest quality mulch available, PSK is the premier supplier for all of your landscaping needs.

Description

Our Marietta plain mulch is guaranteed to add some style to your yard. While it's mostly used as a decorative ground cover, you can also use it in play areas, walking paths, or any other outdoor space you desire. The plain mulch we offer generally lasts 1 to 2 seasons. We advise replacement after that point to ensure your plants have a fresh foundation to thrive in. Our premium Pine Straw King Landscape Supply plain mulch has many benefits compared to other brands.

Our natural mulch is designed to prevent weeds from starving your plants of nutrients, as well as retaining moisture to ensure they stay hydrated even during hot summer days. With no artificial colorants, plain mulch is a more natural and healthier alternative for your plants and soil. Moreover, purchasing bulk plain mulch will save you money and ensure a stable supply instead of buying bagged mulch.

Another advantage of using our plain mulch is that it brings out the natural vibrancy of your plants, improving the aesthetics of landscaping projects. At Pine Straw King Landscape Supply, we can help you find the right amount of plain mulch you need for your yard with our material calculator. Generally, an area of around 100 square feet requires about 1 yard of plain mulch at a depth of 2 to 3 inches.

We deliver our premium-yet-affordable mulch directly to your door and even offer installation by our experienced professionals. Call us for a consultation or stop by our Marietta location today to speak directly to a friendly face.

Brown Mulch

Mulch plays a vital role in the overall appearance of your garden. If you are looking for the highest quality brown mulch in the state of Georgia, PSK is the premier supplier for all of your

landscaping needs. We offer brown mulch that will help moderate the moisture and temperature of your soil, while also improving the appeal of all your landscaped areas.

Our Marietta brown mulch is a natural, decorative ground cover that helps keep your plants, flowers, and other greenery healthy and protected. You can easily purchase our brown mulch online or by stopping by our Marietta location and have it delivered to your home in practically no time at all.

Description

Our dark brown mulch typically lasts around 1 or 2 seasons before we advise replacement, so you can focus more on landscaping and less on replacing. Brown mulch stands out well in smaller areas but tends to lose its dark brown color after a couple of seasons. The contrast from the rich brown helps make all shades of green stand out, giving your garden a vibrant and aesthetically pleasing look.

Other benefits of our brown mulch include excellent water retention, blocking excessive sunlight, and bringing the vibrancy out of your plants. Furthermore, it helps add nutrients to your beds and protects your flowers and plants from extreme temperatures, making an excellent choice for any landscaping project.

Pine Straw King Landscape Supply bulk brown mulch also helps prevent weeds and is notably cheaper than purchasing regular bagged brown mulch. While it is mainly used as a decorative ground cover, brown mulch helps keep roots warm in winter and cool in summer. It also continually breaks down decaying plant matter into compost to improve fertility and soil health. Usually, 1 yard of brown mulch covers an area of about 100 square feet at a depth of 2 to 3 inches, but you can always use our calculator tool to determine exactly how much mulch you need.

Generally, the best time for brown mulch to be installed is in the early stages of spring or summer when temperatures rise, but can also be installed during the early fall as well. Our experienced team can quickly help you install your brown mulch with just a simple call. Consider a bulk purchase today if you want to promote the growth of your plants, flowers, and trees while also improving your garden's curb appeal.

Black Mulch

PSK offers some of the best black mulch in Georgia, giving your landscapes a finished look and feel while also protecting your plants. With our mulch, you don't have to worry about constantly watering your plants or spending a lot of time caring for them, as our premium black mulch is guaranteed to keep them healthy and protected at all times. If you wish to improve

the appeal of your landscaping, our premium black mulch is always available for purchase online or in-person at our Marietta location.

Description

Marietta black mulch offers many benefits to your flowers and other greenery, while also giving your garden a clean, modern look. This high-quality mulch is very easy to maintain and usually lasts about 1 or 2 seasons before replacement is recommended. The rich black color of the mulch helps to bring out your plants' natural vibrancy.

Our mulch is exceptional at preventing weeds from damaging your plants and ensuring your plants have adequate moisture by retaining water even during the hottest days of the year. The black mulch we provide at Pine Straw King Landscape Supply is mainly meant to be used as a beautiful ground covering for your landscaped areas, but it also features a host of nutrients designed to prolong your plants' lives.

Another key benefit of our black mulch is that it breaks down decaying plant matter into compost over time, improving the fertility of your soil and promoting new growth. Black mulch also helps roots maintain a consistent temperature in extreme weather, helping your plants adapt to rapid changes quickly.

Our top-quality black mulch is sold by the yard or bucket scoop, and you can find out how much of it you need for your projects by using our material calculator. Our bulk black mulch is cheaper, and of higher-quality than black mulch bags you would find at a store. If you are looking for the highest-quality black mulch available, you can contact us to place an order and receive fast, reliable delivery directly to your door. We also offer installation as well, which is just another reason Pine Straw King Landscape Supply is the premier choice for all of your landscaping needs.
