

# Welcome To Gainesville's Best Traffic School

Rated as one of Florida's best driving schools, DriveSafeToday is here to help Gainesville's drivers get on the road and stay there. We offer services that help drivers improve their driving skills and awareness on the road.

Our online traffic school courses have all been reviewed and approved by the Florida Department of Highway Safety & Motor Vehicles to ensure all material meets all standards and exceeds any expectations. Our close working relationship with the DHSMV allows us to offer a diverse array of services and courses that you can access and complete 24/7 on any internet-accessible device.

## Reasons To Enroll For Our Defensive Driving Course

Our Gainesville Defensive Driving course helps you learn about Florida traffic safety laws and road regulations. It teaches you about proper driving practices, how to follow them, and how to hone your driving skills. The course covers all of the essentials needed to help you and your loved ones stay protected while on the road with other drivers.

## Dismiss Your Tickets With The Help of Our Gainesville Traffic School

You should always avoid getting a traffic ticket, but in the event you do, you could reduce the impact of the citation by taking a driving course. You may request permission from the court to take a course in person, through the mail, or on the back of your citation.

After receiving permission, register for DriveSafeToday's comprehensive online defensive driving course. You are then free to complete the course within the window allowed by the court, which is usually around 90 days. Our team will notify the Florida DHSMV on your behalf when finished, and a certificate of completion will be available immediately after you have completed the course.

## Qualify for a Discount On Your Insurance

Did you know DriveSafeToday is the leading driving school recommended by most Insurance companies in Florida? Our defensive driving course can help reduce insurance premiums and save you money. Contact your insurance provider to determine if you qualify for an insurance discount after taking one of our driving safety courses.

If eligible, all you need to do is register on our website and complete our defensive driving course. Once finished, you will receive a certificate of completion to send to your insurance provider.

## Overview of our Gainesville Traffic School Courses

DriveSafeToday offers an array of driving courses and services to choose from. Each of our courses is easy-to-follow, with some even backed by hassle-free audio or video narration for a more engaging learning experience.

Courses are convenient, quick, and entirely online, meaning they can be accessed from almost anywhere. If needed, you can even get additional help through our US-based customer support team.

### Basic Driver Improvement Course (BDI)

The BDI course is a comprehensive 4-hour online program comprising easy-to-understand and simple-to-follow sections. This entertaining and interactive content makes them engaging rather than draining. Our approach offers information about defensive driving, alcohol and drug abuse, vulnerable road users, car maintenance, driving regulations, and even how to handle special driving conditions.

The BDI course can be completed online at your convenience. If you need to stop, you can resume from right where you left off. A score of 80% is required to pass the final exam.

However, you're given unlimited attempts without paying any additional fees. After completion, we automatically notify the Florida DHSMV and provide a completion certificate for you to download and print.

### Traffic Law & Substance Abuse Education

TLSAE is a Florida DHSMV-approved course covering alcohol and drugs' influence on your driving ability. It also covers laws, safe driving techniques, responsibilities, and information to help increase road awareness.

Once you've completed the course, you will have fulfilled one of your qualifications for earning a learner's permit in Florida. This course is the most convenient and straightforward way to complete your permit prerequisite Traffic Law & Substance Abuse Education course.

### DHSMV Online Permit Exam

To earn your learner's permit, you will need to complete the DHSMV Online Permit Exam. The test comprises of 50 true/false and multiple-choice questions. You must answer at least 40 correctly in 60 minutes to pass the exam.

As per DHSMV guidelines, you are given three chances to pass this exam online. Those who fail to pass the online exam in the attempts provided will be required to retake the exam in person at the local Alachua County DHSMV office.

## **TLSAE Course & Online Permit Exam Combo**

Register for this combo deal to save money and complete two essential requirements to earn your learner's permit or a first-time driver's license. Not only do we provide you certificates of completion that you may download and print, but we notify the DHSMV for you as well. This is one of the most convenient and affordable ways to fulfill the requirements to obtain a learner's permit or license.

## **Intermediate Driver Improvement – Eight Hour Traffic School**

If a judge orders you to do so or have received more than two citations in the last 12 months and already taken the BDI, you may be required to attend an 8-hour traffic school class. Thanks to DriveSafeToday's course, you can complete the course on your own time and at your own pace. In case you need to log off, you can always resume from where you left when you get back.

Once finished, we provide you with a certificate of completion to download and print for submission to the courts. You may also opt to receive a sealed copy of the original certificate if desired. However, please note that we do NOT notify Florida DHSMV that you have completed the course, unlike other offerings.

## **Florida Driving Records**

DriveSafeToday is proudly a reputable provider of Florida DHSMV driver records. We provide complete driving history records of the past 3, 7, and 11 years. Our information is pulled from the same database used by DHSMV, insurance companies, and law enforcement agencies. Although we are authorized to provide driving records, it is important to note that our records will not show your name or address. Furnished records are not to be used for employment or for fulfilling any out of state DMV requirements.

## **Signing Up**

Our diverse array of courses at DriveSafeToday are entirely online and can be accessed anytime and from any device. You have the flexibility to complete them at your convenience, on your schedule. Each of our courses has been approved by the Florida DHSMV, and we're proud to be highly recommended by Florida's leading insurance companies. To ensure our procedures comply with all state testing standards, we maintain a close relationship with Florida DHSMV. Enroll with DriveSafeToday's Gainesville Driving School to become a better driver and stay safe on the road. See why we're the highest recommended driving school in Florida today!
