

Brass Musical Instrument Insurance

While many instruments are made from their namesake material, brass is simply an illustrious class of instruments creating sound via vibration of the player's lips. The distinctive sound and feel of brass is something immediately recognizable around the world. No matter what type of brass instrument you own, Clarion Associates are here to ensure you're adequately insured. Clarion Associates are a third-generation family-owned business focused on the needs of musicians and the broader music industry for over 50 years. We offer comprehensive coverage at competitive rates and have been endorsed by a host of renowned musicians, music schools, and musical societies for the exceptional service we provide. Our trusted advisers are here for you no matter what happens in life, giving you peace of mind when you need it most.

Why Brass Musical Instrument Insurance Is Right For You

Whether you're a practiced professional, aspiring artist, or simply enjoy collecting instruments, insurance is essential to protecting your prized investment. Regardless of if your instrument is damaged, lost, or stolen, brass musical instrument insurance from Clarion Associates is here to give you the sense of security and peace of mind you deserve.

Our comprehensive coverage protects your instrument against events that some competitors don't cover, such as theft from an unlocked vehicle or damage from a flood or fire. You're also protected globally, so you can feel secure no matter if your instrument is at home or abroad. We work with a network of dealers and associations so that we can rapidly repair or replace your instrument should the unexpected in life occur.
