

A Fairytale Come True

Sweden's southernmost part is characterised by untouched nature, quiet lakes and charming forests. Blekinge looks like a stage set for a fairy tale, a place to find peace and reconnect with the environment. Be enchanted by Blekinge's serenity and get comfortable in your personal retreat. Blekinge is ideal for sports and recreational fishing and, thanks to its accessibility, is a popular destination for German fishing enthusiasts of all levels of experience. Blekinge can be reached easily from any German city. The drive through picturesque landscapes of Scandinavia alone and the view from Öresund bridge will be worth the trip.

Blekinge Big Bite

In Blekinge you can continue on with a favourite hobby or try fishing for the very first time, be it fly-fishing or deep-sea fishing. The fishing waters are incredibly diverse and of exceptionally high quality. You can choose from destinations with different priorities and difficulty levels according to your personal preference. The types of fish that can be caught here are varied, and some of them exist in sizes found nowhere else but here: get ready for your Blekinge big bite! The fishing guide company **Abel Fishing** will give you an overview of Blekinge's numerous offers so you can choose the best time for your vacation in this fishing paradise.

Superb Salmon & Culinary Delights

Big Fish
Mörrums Kronolax specialises in salmon fishing and is known for its large and heavy salmon, the biggest fish weighing in at 25kg. Visitors from all over the world travel here to try their luck at fishing and to explore one of the few places where it is possible to catch salmon from land.

How to Catch the Perfect Pike

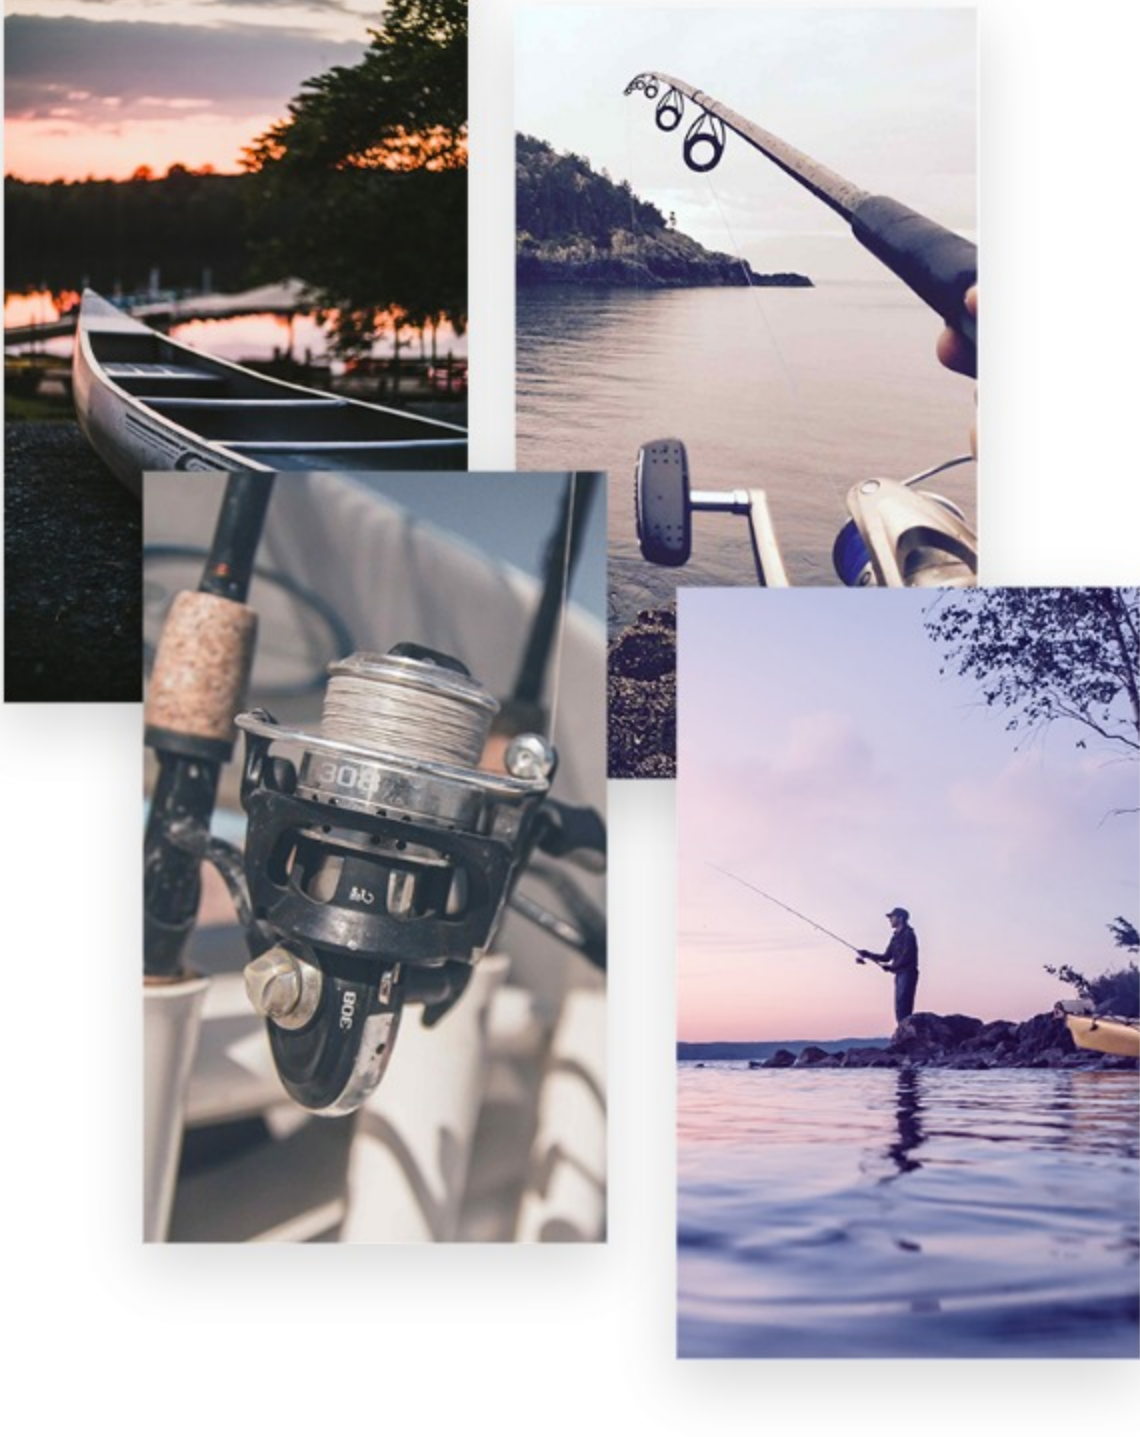

Dragsö Sportfishing is located on an archipelago island near Karlskrona, Blekinge's capital. Here you'll have the unique opportunity to fish for pike from an archipelago, which is very unusual for this type of environment. Experienced guides who are familiar with fishing from the archipelago will accompany you on your fishing trips and help you with advice.

Pikestrike Sweden are experts when it comes to pike fishing and specialise in land, boat and kayak fishing. They offer the best fishing packages on the Ronneby and Karlskrona archipelagos, which are home to the largest pike population of the Swedish Baltic coast.

Svalenmåla Fiskecamp specialises in pike fishing and is known to catch pike weighing up to 10kg.

For the ultimate fishing experience, **Vertikalfiske** offers 8-hour packages including boat, equipment and an experienced guide.

Download our digital travel guide and learn more about Blekinge

Welcome to Blekinge! It's a compact, enchanting and beautiful destination in surprisingly close proximity to multiple locations across Germany. Enjoy island-hopping, sunbathing on archipelago cliffs and sandy beaches, lakes, the wilderness and thick forests interspersed with bright green meadows. Did you know that the sun also shines a few more hours here than in other places in Sweden? Well, that will make your stay even better. Explore the historic naval base: it's part of the maritime World Heritage. Taste the locally produced food, experience music, arts, crafts and things to do for the whole family.
