# Fall 4v4 Leagues Are Underway

Hockey is back! The 4v4 league, which is a partnership between Hudson Hockey and the Wisconsin Blaze in Somerset, is now underway.

This league has replaced the traditional Fall Clinic and is helping skaters from Squirts/U10 through Bantams/U14 get back into hockey shape for October tryouts and the upcoming hockey season.

Games are played 2-3 times per week in Hudson and Somerset through mid-October.

## Say Goodbye to Hockey Stink

This year, Hudson Hockey Association is teaming with Pro 3 Solutions to provide all boys and girls U10 and older a bottle of Pure FX.

Pure FX is the product Pro 3 Solutions uses to keep our athletes healthy and safe. It is an EPA registered pure chlorine dioxide disinfectant that eliminates the growth of viruses, bacteria, mold, and mildew. Germs and bacteria are not able to build up resistance to CLO<sub>2</sub> because it attacks through oxidation.

This product is safe on ANY SURFACE!!!

To use, just Spray Pure FX generously on all equipment daily, or after each use. Red Robin in Madison, WI sprays this on their vegetables so IT IS COMPLETELY ALL-NATURAL AND SAFE!!

The effectiveness of a bottle lasts approximately one month, so Pro 3 Solutions will replace your bottle each month. You will receive your first bottle in October, then we will exchange bottles in November, December, January, and February.

Finally, the best part about Pure FX, in addition to keeping our players healthy and safe, is it **ELIMINATES THE HOCKEY SMELL!!!!**

## Girls Try Hockey for Free

Attention girls! Spots are still available for girls interested in Hudson's **Try Hockey for Free** program.

This program is a great way for kids to get a first-hand experience with hockey equipment and learn the fundamentals of hockey and skating in a fun and relaxed environment.

Sessions run Tuesdays and Thursdays from October 5 through October 26. Equipment is provided to use during the program FREE of charge while supplies last and participants get to experience putting on and using actual hockey pads, sticks and skates.

While the youth program is currently full, girls ages 4-9 located within the Hudson School District who have not previously skated with HHA are encouraged to sign up. Check out the HHA [website](#) for more information and to [REGISTER](#).
