

You
are always
the one
there
for me.
In my highest
of highs
and my lowest
of lows,
During the days I no longer wish for life,
and the days I cannot stop smiling.

I know
you are
disappointed
in me.

For always
pushing you away
when I
am afraid.

I am scared of loving you,
of giving you my everything.
Because if do and you betray me,
what
will I
have left?

Poem title: *Father*

Do not be afraid.
I am here
for you
always .

Till the end of time.

I
will never
betray you.

Even when others
reject you
mock you
scorn you

Even when
the seas no longer move
and
the stars no longer shine

Even when
you
hate me
betray me
hurt me

I
will be
there
for you.

Waiting, patiently,
for the day
I can
call you
My Daughter.
