

Dear Dana,

You've been with us through the highs and lows, so we'd like to show you how much we appreciate you by making it easier to qualify for Premier® status through 2022.

We're **lowering our standard requirements** for all Premier levels so it's easier to qualify through 2022. For example, you'll only need 36 Premier qualifying flights (PQF) and 13,500 Premier qualifying points (PQP) or just 15,000 PQP to maintain Premier 1K® status.

In January, we'll **automatically give you at least 3,750 PQP**, which gets you 25% of the way toward the PQP-only requirement for 1K® status.*

You can earn **even more PQP with our most rewarding Premier qualification offer ever**. You'll earn double the PQP for each of the first three trips you take with United® from January 1 through March 31, 2021.†

Earn 2X PQP
on your first three trips from January through March 2021

Fly more, earn more

On top of that, we have some other exciting updates to share:

- We're also changing the way some of our credit cards earn PQP and qualify for Premier status. Now you can apply PQP earned from your eligible United MileagePlus® credit card toward Premier 1K® status.††
- We're extending PlusPoints set to expire on or after January 1, 2021, by another six months.
- Premier 1K members will earn 20 additional PlusPoints for every 2,000 PQP earned beyond 15,000 PQP.

With United, every flight gets you closer to status, so you don't have to fly as much — or as far — to earn a view from the top. Be on the lookout for additional promotions next year to help you reach your status goals.
