

THE *Diamond* BOSS

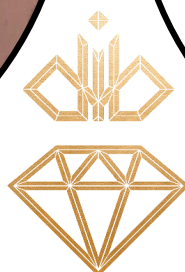

Louisa Nicola better known as 'The Diamond Boss' is an admired and well-respected speaker having presented at many high profile corporate and private events across Australia and New Zealand. Her colourful career as a sales-woman, mathematician and former Australian triathlete has seen her develop engaging and results driven education for women to help them to reach their full potential and leave their mark on the world. Louisa's drive and determination to enrich the lives of women even earned her an invite to Richard Branson's private island to explore her ambitions in depth with the billionaire entrepreneur.

Louisa's passion for growth in culture, education, health, and wealth creation are at the core of all of her engagements. By using innovative tools, stories and strategies, Louisa takes her audience on a journey and shows them how to 'be the woman of their dreams'. Louisa's presentations are highly motivational, engaging, funny and intelligent. You'll leave feeling inspired, challenged and empowered.
