

TAKE A NATURE WALK

Visit us Spring to Fall

Divilesky Gardens strives to paint a unique, breathtaking palette of blooms and foliage from April through October. From delightful natives such as milkweed and wild violets to gorgeous ornamentals like plumbago and hibiscus, there's always a sight to behold.

It's our mission to create a proper living space for natural inhabitants while providing a spectacular show of colorful blooms throughout the season.

As always, it's free to visit. Just call to schedule a walk at 856-304-9299. We are open from April through October each year.
