Our
**Legacy of
Leadership**

2010 ANNUAL REPORT

Our Mission...

is to help young people, especially those who need us most, build strong character and realize their full potential as responsible citizens and leaders.

Dear Friends,

November 1, 2010

Outstanding leadership has been a hallmark of our organization since its founding in 1893. Dedicated men and women have volunteered their time, shared their expertise, and given generously to ensure that the organization's mission is preserved, its quality upheld, and its future secured. From our founder Frank Mason, to our current Board Chair Sandy Edgerley, theirs is a legacy of leadership that has inspired tens of thousands of young people to dream more, learn more and do more, helping them reach their potential and become effective citizens.

In these pages, we highlight many whose actions inspired others this past year, from volunteers, to committee members, staff, alumni, and Club members.

“If your actions

inspire others to dream more, learn more, do more and
become more, you are a leader. ” — John Quincy Adams

By John Quincy Adams' definition, no one is more of a leader than Sandy Edgerley, to whom we are deeply indebted for her five highly effective years as Chair of the Board of Directors. Her impact on this organization and on the young people we serve will be felt for generations to come.

We are so honored to welcome Jon Davis as our new Board Chair, knowing that he will bring a wide range of talents, a focus on excellence, and a deep compassion for youth to this role. Under Jon's leadership, we are committed to continuing our efforts to serve more youth in need.

Boys & Girls Clubs of Boston is deeply grateful for the commitment, caring and generosity of so many individuals and organizations who invest in our mission. The many accomplishments of this past year and the ambitious goals we have set for the year ahead, owe so much to all of you. Our work would not be possible without your ongoing support.

With appreciation,

Josh Kraft
Nicholas President and CEO

The senior professional position at Boys & Girls Clubs of Boston was named in 2006 in recognition of Pete and Ginny Nicholas to honor their deep commitment to the organization and to further their dedication to ensuring excellence in organizational leadership.

“ Boys & Girls Clubs of Boston’s

Legacy of Leadership

has changed thousands of young lives in our city. ”

Dear Friends,

This past year, as Boys & Girls Clubs of Boston celebrated 100 years of service to the Roxbury community, we were reminded of our tremendous obligation to sustain the legacy of those who came before. Those whose vision, hard work and financial support created an oasis for young people in neighborhoods across the city all have played a role in building this effective and — for many of the young people it serves — life-saving organization.

All year long Boys & Girls Clubs of Boston will celebrate the “Legacy of Leadership” that has changed thousands of lives in our city. As my chairmanship comes to a close, I am deeply honored to be part of this legacy, but fully aware that I owe my success to all of you...to our Board members, donors, program partners, direct service volunteers, the staff and members. And to my friend Jon Davis, who will succeed me as Chair of the Board and bring his keen insight, compassion, drive and business acumen to lead BGCB into the next decade.

As I transition to a new role with the organization, I remain deeply committed to our shared cause. When the need is so great and there are so many opportunities to give back, it’s especially gratifying to be involved with an organization like Boys & Girls Clubs of Boston, whose mission is essential and whose work is strategic, cost-effective and results-driven.

Being able to make a difference in the lives of so many deserving children and teens is the greatest reward, but I have had (and will continue to have) the added joy of working with all of you in our shared hope that one day all of Boston’s young people can live without fear and clearly see the path towards becoming effective citizens and leaders.

With deep appreciation,

Sandra M. Edgerley
Chair of the Board of Directors
2005-2010

*Member response to BGCB’s 2010 survey, which was completed by more than 27% of members.

“Athletics is a great tool to help develop character and self-confidence in our members by providing leadership opportunities and leveraging teamwork to accomplish a common goal. At the Club, we teach young people how to be leaders on and off the court.”

*— Carl Thompson
Blue Hill Club Athletic Director
and Wellness Coordinator*

“An undervalued characteristic of good leaders is the use of humor to reduce anxiety and liberate creativity in the leader’s team while retaining focus on the organization’s goals and objectives.”

— Fred Church
Senior Advisory Board member
Chair of the Board of Directors 1984-88

“Leadership is all about RESPECT. To become a true leader, you must first show respect for those whom you wish to lead, ascribing dignity to each individual such that his or her talents are felt to be recognized and appreciated. Once this is achieved, you will achieve the respect from those you seek to lead, and you are on your way to being a true leader.”

— John U. Harris Jr., Senior Advisory Board member,
Chair of the Board of Directors 1972-76

“Kevin Phelan is a leader I look up to. He has been a mentor to me since I was an 18-year-old senior in high school thinking about going to college. Since then I am proud to say I received a degree from Kevin’s alma mater, Providence College. There have been countless phone conversations and trips to his office to discuss anything from which college courses to take to career advice. Kevin has always been there for me, and someone I truly aspire to be like as I start my own career.”

— Eamon Miller
South Boston Club Alumni Council member

Kevin Phelan served as Chair of the Board of Directors from 1988-92, and is currently a member of the Senior Advisory Board.

Unswerving leadership...

“ [The recent violence] is a real tragedy and brings home in spades the reality of the vulnerabilities that these kids face, and the fragility of the system which lies just below the surface of things in many of these inner city communities and which most people can not see or know. In so many ways, it is a reminder of the daily sense of urgency all of us must feel at ensuring the continuing availability and strengthening of club resources and capabilities. Thank goodness for the clubs and for your and your team’s unswerving leadership and commitment to the kids. ” — Pete Nicholas, Senior Advisory Board member

Enduring impacts...

“ Although management and staff leadership has historically been central to BGCB’s enduring impacts, it has been the high caliber of its Board leadership that has made those achievements possible. Sandy Edgerley has epitomized the most effective qualities of board leadership: passion for mission, aptitude for strategy, and compassion for people. Jonathan Davis is a most fitting successor and will continue BGCB’s enviable pattern of electing talented organizational stewards as Chairs of its Board. ”
— Linda Whitlock, Former BGCB Nicholas President and CEO

84%

of members say that the Club has helped them get along with people who are different than them.

“The Club has taught me to be friendly to others, no matter what.”

— *Adriauna*
Blue Hill Club, age 7

87%

of members said the Club has helped them do better in school.

“Being a leader has helped me do better in school because it gives me the courage and ability to pull through daily difficulties.”

— *Richard*

Celebrating Milestones...

For 100 years, the **Yawkey Club of Roxbury**, originally known as the Roxbury Boys' Club, has served as a beacon of hope in the Roxbury community. Since 1910, thousands of youth have grown into responsible citizens and leaders thanks to the Club's unique, fun and effective programming.

In fall 2009, Boys & Girls Clubs of Boston opened its 10th Club – its first in a public housing development. **The Franklin Hill Club** at the Franklin Hill Housing Development is an example of the cost-effective Shared-Space Club model that is key to Boys & Girls Clubs of Boston's strategic vision to serve more youth. The Club serves 60 youth ages 6-12 with year-round programming.

Creating Leaders...

“ I've seen despair in young people's lives, and know that things can be different if someone shows them how to lead instead of follow. That's why it is critical that we — as an organization and a society — continue to help develop the next generation of leaders. Caring parents and other positive adult role models can help young people build confidence and exercise their leadership abilities.

Boys & Girls Clubs have been and will continue to be one of the keys to this success. ”
— Murray Bass, Yawkey Club of Roxbury, Technology Director/Program Team Leader

Engaging the Corporate Community

Forty Boston business executives comprise Boys & Girls Clubs of Boston's Corporate Leadership Council (CLC), which meets twice each year to discuss trends in corporate philanthropy and issues important to the city's growth, including the critical role that investment in youth has in building a diverse workforce for the future.

The CLC was initiated in the fall of 2008 and today operates under the Direction of Nicholas President and CEO Josh Kraft and co-chairs Robert Gallery, Massachusetts President of Bank of America, and John Fish, President and CEO of Suffolk Construction Company and its Red & Blue Foundation.

Under the guidance of the CLC, Boys & Girls Clubs of Boston launched a formal corporate partnership program in 2009. These custom-designed relationships seek to align the business and human resources goals of Boston's business community with Boys & Girls Clubs of Boston's focus on fulfilling its mission.

CURRENT USE

Individuals

In 2004, Boys & Girls Clubs of America created The Jeremiah Milbank Society to inspire and recognize higher level unrestricted giving from individuals to local Clubs. The Society honors those who have invested at least \$10,000 annually. The following donors provided essential current use operating support in FY2010 through outright gifts, pledge payments, or event support. This list includes all gifts and pledges of \$500 or more. Gifts of any amount made "in memory of" are listed separately.

THE NEW YORK SPECIAL SITUATIONS GROUP (NYSSG)

Formed in 2008 to bring together individuals working in New York City with ties to Boston, the group, in its 2nd year, raised more than \$225,000 to support Club programs and members. We appreciate the generosity and involvement of the individuals and companies comprising the NYSSG – whether they attended an informational event or participated in the Barrister Cup Golf Tournament.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
The Boys and Girls Clubs of Boston, Inc.
Boston, Massachusetts

We have audited the accompanying statements of financial position of The Boys and Girls Clubs of Boston, Inc. (the "Organization") as of June 30, 2010 and 2009, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Boys and Girls Clubs of Boston, Inc. as of June 30, 2010 and 2009, and the changes in their net assets and their cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

A handwritten signature in black ink that reads "McGladrey & Pullen, LLP".

FINANCIAL NOTES SUPPLEMENTAL TO AUDITED FINANCIAL STATEMENTS (UNAUDITED)

We are grateful to the United Way of Massachusetts Bay and Merrimack Valley for its significant annual support, which brings important recognition to the effectiveness of our strategic approach to youth development.

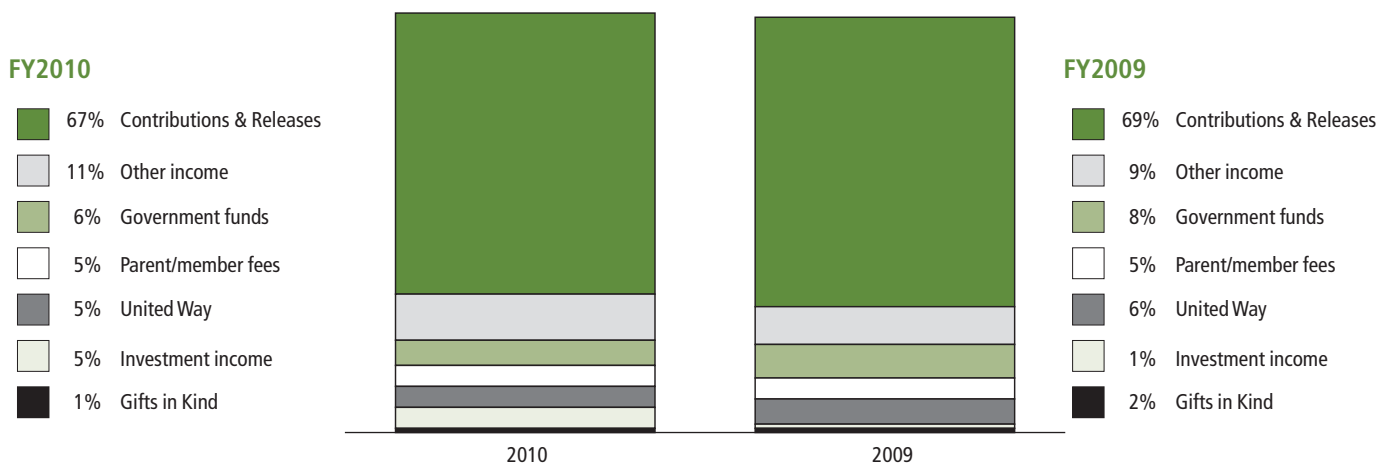

As a result of new gifts and positive investment performance, funds functioning as endowment totaled \$24 million at June 30, 2010, and help sustain operations to a growing degree.

Government funds account for 6% and membership fees for just 5% of BGCB operating revenue. The balance of our budget must be raised each year. Private donor support is an integral part of our continued success on behalf of the youth we serve.

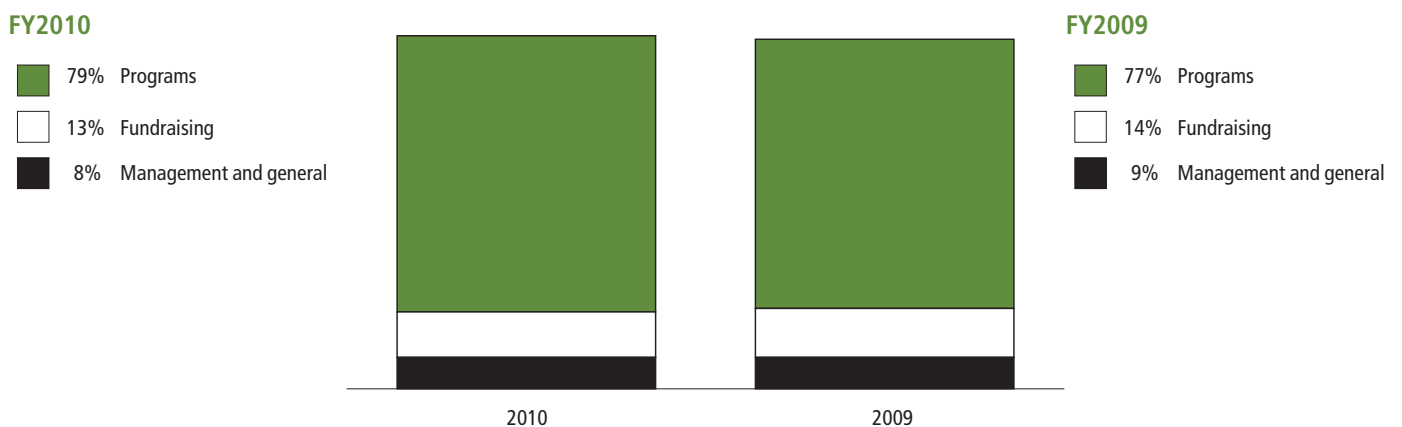

In a tight economy, we maintained our focus in utilizing resources for programming that directly impacts children and teens. Because of these efforts, BGCB was able to continue to serve 14,000 youth in Boston and Chelsea through consistent and effective programs.

The audited financial statements include footnote disclosures, which are an integral part of the statements. To review the complete financial statements, please visit <http://www.bgcb.org>, and click on "About Us" and "Annual Reports."
