Personal Profile

A highly motivated and hardworking individual, who recently graduated with a 2:1 from Kingston University. A strong communicator who works well in a team as well as independently. Always adapting and willing to learn new skills in an ever-changing work environment.

Journalism Experience

Work placement at The Telegraph

16-20 September 2019

Completed my work experience on the foreign news desk

- Wrote and published two articles that appeared on The Telegraph's website
- Sub-edited other articles
- Tasked with looking for international breaking news stories and reporting them to the editor

Arts and entertainments editor for The River

January 2020- April 2020

Editor of arts and entertainment for Kingston's university student run newspaper and online site.

- Awarded a first for this module
- Won two awards while working on The River, including 'best team' and 'best section editor'
- Sub-edited articles for the arts and entertainment section
- Wrote fourteen articles including several for the news section
- Worked to a strict deadline with a team
- Created and laid out four pages for the newspaper

Employment

Sloane bros frozen yoghurt company

February 2017- September 2017

Worked at a frozen yoghurt shop for seven months. My duties for this role included

- Serving customers at the till
- Making and decorating a range of frozen yoghurts, smoothies and crepes
- Cleaning the store including tables, surfaces, store rooms and machines
- Opening and closing the store and ensuring that everything was clean, tidy and locked away

Primark Tottenham Court Road

Temp July 2019- September 2019

Retail assistant over the summer. My duties for this role included

- Serving customers at the till
- Working on the shop floor
- Sorting out the stock and putting items back where they belong
- Helping tourists, and acting as a personal shopper
