

Get Started with Freelance Central!

Hi there!

Thank you for choosing Freelance Central. We take all the boring paperwork off your hands.

What next?

Here are a few things you can do to get started:

Onboard freelancers

Save time and reduce paperwork with our digitized contracts and e-signatures. Check the onboarding status of every contractor in real time and receive updates when contractors respond.

Get organized

Escape the hassles of freelance management — request documents, communicate requirements, track active and inactive contractors, receive calibrated invoices, and more — in one place.

Stay compliant

Keep a pulse on your contractor's 1099 NEC filing by automating 1099 NECs and e-filing forms straight from your dashboard. Get updates on IRS approvals and rejections to ensure total tax compliance.
