UNLOCK THE POTENTIAL

QUICK

Sub-second performance guaranteed on billions of rows and millions of columns of data

USER-FRIENDLY

Effortlessly model and build OLAP cubes with Qubz's intuitive UI. The "drag & drop" interface enables high-accuracy design

BOOST PRODUCTIVITY

Get full ANSI SQL support and a Rest API

SEAMLESS CONNECTIVITY

Connect to all Data Visualization and Dashboarding tools with ease, whether cloud or otherwise

SECURE

Limit access by defining restrictions and authorizations. Data never leaves the Hadoop ecosystem
