

The following works exhibited on this portfolio are part of my senior graduating thesis: *Among the Canines*, a collection of four stories. The main story is *The Wolf in Kawit Cavite*, which is highly recommended to be read first to contextualize the remaining stories. However, an exception can be made for *Hunting Hound*, which can be read as a standalone text. The reading order of the works is as follows: *The Wolf in Kawit Cavite*, *Sheepskin Diary*, *Hunting Hound*, *Mantlewolf*.

The works include sensitive themes and topics which are mentioned below:

- Sexual Abuse
- Attempted Rape
- Violence
- Animal Abuse
- Descriptions of Gore
