

The Beauty Of The Bold Detour

Sure, you could get from A to B, but how about living a little – there’s so much more to see! On your next trip, make some lasting memories by taking the turn-off to one of these spectacular finds. All you need is a sense of adventure and a car with a bit of muscle, like the all-new Hyundai Tucson.

Brisbane to Sydney

Most people drive the coastal road, but those with the best stories take the A15 down through Torrington State Forest. Dramatic views and magnificent granite formations await.

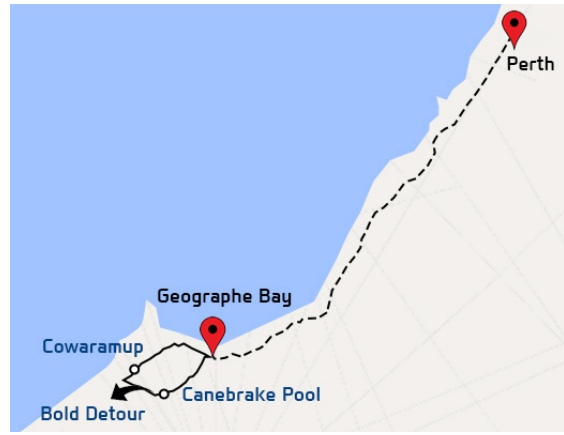

Adelaide to Port Augusta

Journey off the A1 to the sleepy 19th-century hamlet of Mintaro to get lost in the unique living hedge maze and play giant-sized puzzles made using local slate.

Kempsey to Port Macquarie

Explore the back roads from Crescent Head, stopping at secluded beaches only accessible by 4WD. You can then board the car ferry over to Port Macquarie after a spot of lunch.

Perth to Geographe Bay

Take your family holiday to the next level with a gravel-road detour to Canebrake Pool. After a refreshing swim, loop back to Brusselton via Cowaramup and Margaret River's vineyards.
