

How it works

Every Token you create is linked to your connected payment account

Use **one Token per store** and save it as your payment method at checkout

Use your real billing address at checkout. For a delivery address, provide the actual destination

Use Token anywhere online and when making a purchase over the phone

First, let us know who you are

Signing up is easy. Scan your U.S. government issued photo ID for us to verify your identity.

Our users are already earning credits

Invite a friend to sign up for Token so you
can each get \$5 towards your next
purchase!

EARN \$5

**Must spend \$50 in 30 days before credits
are reflected on your account*
