### 1 Pre-Trip Planning

A self-drive holiday is about freedom on wheels to go where you want and do what you like, at your own pace and with peace of mind. All in the privacy of your choice of vehicle and in the company of your loved ones.

Forget about scheduled departures and early wake-up calls. When you are in the driver's seat, you take control of your adventures. To help you prepare for your next self-drive holiday, we have prepared a handy and useful checklist which leads you from pre-trip planning to making car rental reservations to things you should look out for before and while on the road.
