Long listing/Host Guides (2,000 character max)

The industry's leading full-service host agency since 1995, Nexion® – the Travel Professional's Host Agency – provides independent, U.S.-based travel agents of all experience levels with the tools, education and support they need to reach their full potential.

NEXceed All Expectations – As a member of the Nexion family, you will earn what a passionate travel professional should earn: up to 90% of commissions with more than 140+ air, cruise and land preferred suppliers.

NEXpand Your Network – Through Nexion, you will work with some of the most supportive people and suppliers in the industry. These partnerships will help give you the confidence and connections you need to succeed on your own terms.

NEXplore New Opportunities – Nexion provides you with resources, tools and guidance to help you develop professionally and personally, including virtual classroom training, a program for new agents that lets you earn commission while you learn, and mentorship programs.

NEXperience a Better Way – Nexion will support you with technology tools and other resources that help you manage your business and simplify the booking process. These include access to multiple booking, reporting and administrative tools; your choice of GDS; a point-and-click, Web-based air, car and hotel booking tool for agents who don't have a GDS; and more.

NEXcite Your Clients – Nexion gives you the marketing muscle to consistently showcase the latest travel offers along with your value as a travel professional, keeping your agency top-of-mind throughout the year.
