

## What's Happening At Simmons

### [Funding Opportunities Through Pivot and InfoReady](#)

Are you a faculty or staff member looking for new funding opportunities for your research? Pivot and InfoReady application portals are now available.

### [Your Commute May Be Changing](#)

As a part of the Better Bus Project, the MBTA certain routes will be changing. Learn if any changes are happening to your route.

### [Are You Using Your Employee Perks?](#)

Did you know that as a Simmons employee you have access to multiple subscriptions?

### [University Communications Prepares for Enabling Moves](#)

In preparation for the enabling moves for the One Simmons initiative, the office of University Communications held a cleaning day.

**Simmons Community Engagement**  
@simmonsengage

There is nothing better than giving back in this season of giving. Thank you to the faculty and staff who donated so much warm winter clothing at the Simmons Holiday Party! We couldn't even fit it all in one picture! All the donations are going to [@NurturyBoston](#) ❤️

## University Closed for Winter Break

The university will be closed from Dec 23 and will reopen Jan 6. Safe travels and happy holidays!

## In the News

### [Professor Writes Op-Ed in Boston Paper](#)

Dr. Maria Abate, Assistant Professor of Biology wrote and op-ed about her decision to sign the climate emergency warning in *The Fenway News*.
