THANK YOU for your Support of our small local businesses!

Weber Catering & Events is a licensed food production facility that produces: home style cooking, baked goods, confections, and events. Our affiliation with our USDA federally inspected meat plant facility, thorough food safety background, and our farm to table agricultural connections make us a unique provider of quality services with over 20 years of experience. Please don't hesitate to contact us if you are aware of a need for safe, quality foods for a group. We continue to follow our standard stringent food safety guidelines in addition to extra measures to be sanitary and keep social distance during this time in our world.
