About Us

Bistro Noir invites you to step into the realm of continental cuisine. Nestled amongst the foliage of Islamabad's round market, we offer a unique range of signature European dishes. Fueled by a passion to make haute cuisine more accessible, our Riviera and Mediterranean inspired flavors will transport you to the shores of the European coast.

At Bistro Noir each recipe has three simple ingredients;

Flavor, fun, and finesse!

Bistro Noir

As the name implies, Bistro Noir features a black and white interior with contemporary style seating. Black metal framework with clear glass supports the interior of the restaurant, complemented by the luminescence of brass mirrors. The monochrome palette is accompanied by soft mustard and sage green hues, brightening up the moody ambience.

Lit by soft recessed lighting and jazz beats flowing through the air, the environment is reminiscent of a cozy yet tastefully decorated Parisian eatery.

Rooftop

A spiral staircase curls up to the second floor revealing the open-air rooftop. Moss frames shielding both sides, lead to the seating area overlooking the picturesque scenery of F-7. Illuminated by warm lights, the laidback atmosphere provides the perfect hangout place to meet up with friends and family.

Our Story

The restaurant was launched as a joint venture of co-founders; Sadia and Akbar. As food connoisseurs, they are passionate about the art of gastronomy; in the food techniques and combination of ingredients that create a dish.

Having had extensive experience in gourmet dining, they formed a keen interest in the quality of service which is the foundation of the hospitality industry. Their motivation was to recreate fine dining with top-notch customer service in Pakistan. A unique attention to detail presided over every inch of the restaurant, from the interior décor to the cutlery design; everything is carefully curated to create a classic European style dining experience.

Hence Bistro Noir, their 'culinary lovechild' is a result of their combined efforts and motivations.

We cordially welcome you to Islamabad's latest culinary destination, a homage to French and Italian cuisine. We are grateful for your presence at our launch event and hope to create an enjoyable experience for you.

Following is a guide for the evening.

To start the evening, we initiate our menu by introducing light starters like calamari and burrata salad, perfect for the post-aftaar appetite. Accompanying these dishes is our fresh oven-baked pizza cooked to a crisp for approximately 90 seconds.

Our beverages include a range of brews, from passionfruit tea to cappuccino. Whether it's a light ginger lemon tea or a Spanish latte, our drinks make the perfect accompaniments to the evening sustenance.

Delving into the main menu, we present our signature dishes. From tender beef wellington encased in pastry to homemade lobster linguini and mushroom risotto, our impeccably curated main dishes represent the hallmark of European dining.

After indulging in savory pleasures, the dessert menu provides a sweet wrap-up of the evening. We proffer fruit-infused crème brûlée accompanied by Tiramisu layered with fresh mascarpone cream. Our sweet delights will be sure to satiate your sweet tooth.
