

we believe now more than ever
that it's important to
lift the spirits of others

During this time, your customers will find these
uplifting charms and encouraging sentiments,
larger than life.

Our top-selling *Giving Bears*
were created for this very reason.

When kids or kids-at-heart
embrace this cuddly
companion they

feel at ease.

The details of a corduroy
listening ear and
hand-sewn threads
of its nose provide

*heartwarming

As if truly
there for you.
