

THE MED BULLETIN

CCHP Member Experience Newsletter

Let's stay connected!

Team building with trivia & prizes!

It's no secret – employee engagement and morale are at an all-time low because of the Covid-19 pandemic. To combat the disconnection, the Member Experience Department has recently created the Member Experience Department (MED) Committee to help remote employees remain socially connected by engaging in: Virtual Employee Social Hour, monthly newsletters, and special event emails!

Virtual Social Hour – Take an afternoon break and join our bi-weekly chats that will take place on Skype (link will be sent soon) for meet and greets, success stories, birthday celebrations, and trivia games with **PRIZES!** Important reminder: you must **fill out the questionnaire** (attached to this email) and **RSVP** (by replying YES to this email) to qualify for **PRIZES!**

Social hour is from 3-4 p.m. You may join for the **first** or **last** half hour (30 minutes) depending on your work schedule – this gives departments and team members more opportunities to attend chats.

Monthly newsletters – Each month, MED will send employees up-to-date coverage and information pertaining to holiday celebrations, employee awards and acknowledgments, member experience week, and other employee news!

Special event emails – Have a work anniversary coming up soon or want to acknowledge a co-worker for their hard work? Our special event emails will salute our workforce for work performance and other employee celebrations!

First Virtual Social Hour happening soon!

*First social hour:
Thursday, April 14
3-4 p.m.*

MUST RSVP & send back questionnaire to qualify for PRIZES!
