

THE VINTNER'S JOURNEY FROM GRAPE TO GLASS

MY FAVORITE NEIGHBOR ●●●

The 2018 vintage is a luscious and dark Cabernet that perfectly represents the bold and ripe wines of Paso Robles. According to Eric Jensen, dynamic owner and winemaker of Booker Winery, My Favorite Neighbor is a tribute to his mentor and great friend, Stephan Asseo, winemaker for neighboring L'Aventure Winery. Stephan taught Eric about the incredible winemaking potential in Paso Robles. Each time Stephan called Eric he would refer to himself as Eric's "favorite neighbor." My Favorite Neighbor celebrates the wonderful neighbors in all of our lives—the symbolic tin cans on a string between two windows.

●●● EGW CHARDONNAY

Double Zero "00" is an ultra-luxury winery producing Grand Cru Chardonnay and Pinot Noir in Oregon, Burgundy, and Champagne named after the number of potentials in numerology 0. Its EGW "Extra Good White" reached its potential with a complex, balanced, and finely textured expression of 100% Willamette Valley Chardonnay inspired by the old winemaking techniques of Coche-Dury. The label was inspired by the chalk markings that Burgundian vintners draw on their bottles before laying them down for many years in the cellar.

WHISPERING ANGEL ROSÉ ●●●

You'd be hard pressed to find a rosé drinker who has not had a glass of the iconic Whispering Angel Rosé. Often attributed with the "Rosé Renaissance," this Grenache, Cinsault and Rolle (Vermentino), blend has a pale color with an approachable taste profile which has arguably become the worldwide reference for Provence Rosé. The label features a delicate drawing of two cherub-like faces inspired by the two angels carved into the wall above an altar in the chapel at Château d'Esclans dating back to the 1850's. Located in the heart of Provence, just northeast of St. Tropez with a view of the Mediterranean coast in the faint distance, the saying is "*In the Esclans Valley angels whisper.*"
