

End the year in control of your cash flow.

A new year brings with it new opportunities for your small business. Start 2020 ready to capitalize on growth knowing your business's financial health is where it needs to be.

A [small business loan](#) from QuickBridge can help you power through the final months of 2019, and plan for the year ahead. Use funds NOW to:

- **Make sure bills due by year-end get paid**
- **Prepare for income tax filing requirements**
- **Take advantage of the Section 179 tax deduction**
- **Purchase products, tools or services for new year readiness**

It takes only minutes to apply, and you could receive funding for your business in as little as 24 hours. Click the link below or call us at 800.695.4998 to get started.
