Did you know? May is both Older Americans Month and National Pet Month - a time to focus on the general wellness of senior adults and celebrate the benefits that pets bring to our lives. Our policyholder communications focus year-round on fostering positive engagement between our [#LTCi](#) carrier clients and their customers by providing valuable [#seniorwellness](#) information like this pet-focused article:

The Healing Power of Pets for Seniors

Fuzion on LinkedIn • 2 min read

Pets are true gifts that provide us with tremendous joy—no matter our age. Pets can also play a sig...
