

Hello \${FNAME}Customer|Guest|\$,

International Fraud Awareness Week is November 13-19. Although this week is dedicated to encouraging organizations to proactively minimize the impact of fraud on their businesses, Fuzion works year-round to help long-term care insurance carriers fight fraud, waste, and abuse.

Contact Debbie Maas at [dmaas@fuzionanalytics.com](mailto:dmaas@fuzionanalytics.com) to discuss how Fuzion can help you identify and combat fraud, waste, and abuse in your LTCi business.
