Feeling pretty hungry, need to grab something quick;
Lots of restaurant options, need to make a pick.
See those golden arches from my favorite chain;
pull up to Mickey D's in the drive-thru lane.
Look over the menu - they've got something new;
had to ask about it, looks too good to be true.
"It's the Premium McWrap," so the cashier starts to say;
"There are 3 different flavors - try it any way!"
"Try the Chicken and Ranch - it's a cut above the rest;
or the Chicken and Bacon - it's sure to be the best."
She describes the last flavor and I know it's the one;
the Sweet Chili Chicken - but my orders not done.
I see a new dessert, so I'll give it a try;
excited to taste the Strawberry & Crème Pie.
My order is complete and I'm ready to pay;
pull up to the front, say, "Have a good day!"

And that's a WRAP!
