WebBranch

Introducing Tech Fed's Internet branch—WebBranch!

It's fast, safe and accessible 24 hours a day, 7 days a week—and available with the touch of your fingers!

WebBranch gives you worldwide access to banking at the speed of the Internet using your Call-24 PIN. At no cost, you can access your account information from your own home or office—or wherever you have Internet access.

To get to WebBranch, just log onto our home page at www.techfed.org. We recommend using a full-featured browser such as Netscape version 3.0 or higher, or Microsoft Internet Explorer version 3.0 or higher.

With WebBranch you can:

- Pull up your account history and transfer funds—see when checks clear and deposits hit
- Make loan payments* or get advances from your line of credit
- Balance your account
- Transfer funds between accounts**
- Order checks
- Request stop payments
- Send us e-mail

WebBranch Is Secure

WebBranch uses the most advanced encryption standards to protect your account as you conduct your financial business. You get even more protection with personal access only through your Call-24 PIN†.

Count on Tech Fed to bring you the convenience and service that simplifies your busy life.

*Payments can be made on all Tech Fed loans except VISA and 1st Mortgage Loans.

**Transfers may be made between accounts with the same member number. Some restrictions may apply. Contact a Member Services Representative for details.

† If you do not remember your Call-24 PIN or need a new PIN, please contact a Member Services Representative at 408-451-9111 or 800-553-0880.

Note: The rules, terms and conditions that apply to Internet Banking are the same as those that apply to Call-24. Please refer to the Universal Savings Disclosure and Account Agreement. If you do not have a copy of this disclosure, please call us at 408-451-9111 or 800-553-0880 to request one, or stop by any branch.
