PROFILE

Hello, my name is Kelvin Marcellino. I live in Surabaya, Indonesia, and currently finished my collage. I graduated from Christian Petra University (UKP), Bachelor of Art. I am an easy going person when doing a work, I can accept the different idea. I am open minded and have a broad insight, I am flexible and simple person, able to work whenever I was needed. I am a discipline person, fun fact, I never late at my college. I love Arts. My hobbies are Travelling, playing music, something excited and new, also the photography and camera things. This is a little things about me, see you !!
