

Professional, Affordable, Beautiful...

Full Clinic Services at the Academy
of Cosmetology Style & Design

Tired of paying fifty — even a hundred or more — dollars each month to get your hair cut and colored? Well, you don't have to keep sheeling out a fortune just to get a great look! The Academy of Cosmetology Style & Design offers a full array of hair, makeup and nail services at prices you can really afford.

"After graduation, our students go on to work at some of the best salons in the metro area," reports Academy of Cosmetology Style & Design Student Service Coordinator Michelle Greenly. "We train our students to provide cutting-edge professional services that command top-dollar fees in full-service beauty salons, and our clinic patrons reap the benefits of our students' training at very reasonable prices. All services performed by students are under the supervision of licensed instructors.

Academy of Cosmetology Style & Design students use top-of-the-line products like Redken®, Paul Mitchell® and Biolage®. Plus, they're trained in all the latest haircutting, styling and perming techniques, so you can get a fashion-conscious look at a budget-conscious price. In fact, you'll save enough money on your hairstyle that you'll be able to enjoy Academy of Cosmetology Style & Design's nail, facial, makeup and waxing services!

With such low prices and high quality products and it's no wonder that Academy of Cosmetology Style & Design's clinic floor is always busy. Just check out the service menu.
