

## **Faith**

*Alexander Mark Kinaj*

Faith in meeting you in a crowded cafe.  
Faith in finding myself in the Grand silence.  
Faith in coming to the ultimate answer.  
Faith in discovering absolutely nothing.  
Faith in walking through all 195 nations.  
Faith in never leaving this seat.  
Faith in punching my enemy in the cheek.  
Faith in harnessing the ability to be meek.  
Faith in staying young and being wise.  
Faith in growing old and becoming foolish.  
Faith in it all coming to an end.  
Faith (fear) in the fact that I'll do it all over again.

Faith in finding union within the contradiction.
