READER: Bennett Spring Celebrates MO Centennial with Program Series

Starting July 22, in celebration of the Missouri bicentennial, Bennett Spring State Park in Lebanon will host the Bennett Traditions Program. The four programs, once each month in July, August, September and October, will include 20-minute presentations about historic and natural topics relating to the area. They'll also feature 20-minute lessons on quilting.

The programs will also be recorded and posted online. Registration is required, and each program is limited to 10 people. To register, contact the Bennett Spring nature center at 417-532-3925. Find out more at mostateparks.com.
