

KAAN YILDIZ

ARCHITECT

EN

PROFILE

- As an architecture graduate, I combine analytical thinking with a design-focused approach to solve complex problems and deliver practical, scalable solutions.
- My background across architecture, advertising, translation, and AI workflows has built a proven track record in project management, cross-disciplinary collaboration, and rapid adaptation.
- Focused on execution and quality, I consistently deliver reliable results on time across projects of varying scope and sector.

2011 - 2019
Faculty of Architecture
Department of Architecture

ERASMUS

2014 - 2015
Faculty of Engineering
Department of Architecture

HIGH SCHOOL

2007 - 2011

YILDIZ TECHNICAL UNIVERSITY

ISTANBUL, TURKEY

UNIVERSITA DEGLI STUDI DI TRIESTE

TRIESTE, ITALY

BURSA ANATOLIAN HIGH SCHOOL

BURSA, TURKEY

WORK EXPERIENCE

TRANSLATION & LOCALIZATION

AI DATA ANNOTATOR

APR 2025 - **ONGOING**

I handle data annotation, response evaluation, and English–Turkish localization across various AI training workflows, such as LLMs and generative image & video models. Operating under contract with clients like Apple and Uber, I have contributed to 20+ distinct projects (certified for each), focusing on the creative application of AI in the corporate scene.

MINDY SUPPORT

REMOTE

EN-TR LEGAL TRANSLATOR

JUN 2021 - APR 2022

I translated, edited, and proofread high-volume legal documents between English and Turkish, ensuring strict terminology consistency and accuracy. I also oversaw and took an assisting role in operational project management.

LEGIS TRANSLATE

ISTANBUL, TURKEY

TRANSLATOR (EN-TR)

JAN 2014 - APR 2025

Executed on-demand English–Turkish document translation, editing, and workflow management for mostly ELKA and DERYA, and few other Translation Firms, consistently managing fluctuating project scales and tight turnaround times.

FREELANCER

REMOTE

PROJECT MANAGEMENT

PM INTERN

MAY 2025 - JULY 2025

I completed comprehensive remote training in Management & Organization, Project Management, Artificial Intelligence & Data Science, Information Technology & Corporate Law, and Brand Design from many experts with academic reputations, and I submitted project documents for each.

TNC GROUP/ SCA SOCIAL

REMOTE

PM INTERN

SEP 2025 - NOV 2025

After completing remote training in Brand Design, HR, Corporate Law, and Project Management, I delivered documentation during the 10-day Belgrade program, including Corporate Identity Manual, orientation deck, GDPR contract, and project plans covering schedule, budget, quality, procurement, and risk analysis for the brand I designed and its work.

TNC GROUP/ HUMANPORTS

BELGRADE, SERBIA

JR. PROJECT MANAGER

JAN 2021 - MAR 2021

I coordinated client relations, planning, and implementation processes in digital agency projects. I managed the production of digital campaign, banner, and mailing content for PSA Group (Peugeot, DS Automobiles) brands

PUBLICIS GROUP/ VODEN -LEO BURNETT

ISTANBUL, TURKEY

ARCHITECTURE

ARCHITECTURAL INTERN

JUL 2019 - SEP 2019

I participated in architectural application and field observation processes at the Esenyurt Gümüş Panorama construction site.

UÇAR GROUP

ISTANBUL, TURKEY

ARCHITECTURAL INTERN

JUN 2018 - AUG 2018

At the Tarabya office, I provided drawing support using AutoCAD and SketchUp for various residential and hotel projects, and I modeled a whole housing project in Revit.

BTT ARCHITECTURE

ISTANBUL, TURKEY

ARCHITECTURAL INTERN

JUN 2015 - AUG 2015

I carried out measurement, surveying, and drawing work on various restoration projects around Bursa.

AKSOY ARCHITECTURE

BURSA, TURKEY
