SO HOT!

VEGAN HENS

Luxury macaron makers Ohlala have launched a plant-based version of their popular Macaron & Martini Hen Experience.

TRAD MASKS

Forget sheet masks, more brands are launching old-school wash-off masks in jars to reduce packaging - perfect for pre-wedding prep.

SUPER SANDWICHES

Gourmet sandwiches are set to be one of the hottest foodie trends this year - translate it to your wedding as evening food.

SPLIT ENDS

New Philip Kingsley Bond Builder Split End Remedy, £26, has been developed to seal splits - perfect for swishy aisle-ready locks.

PROSECCO

Look to Spain for your celebratory w-day fizz. We're seeing a cava resurgence, according to Waitrose & Partner's annual Food and Drink Report.

GOING OUT

It's still the season for romantic nights in. Set the mood with a deliciously fragranced candle, such as Winter Scent, from Scandi-chic Von Norten, £36.

SO NOT!

Purls of wisdom

Got a crafty bridesmaid? An usher with a wool-passion? Parents into petit point? Thank them for their help with a kit by We Are Knitters. These cover projects from beanie hats for beginners to alpaca sweaters for the advanced, and use only sustainable materials.

Yes, you can jot down to-dos on your phone, but the stationery-lovers among us will use any excuse for buying a new notebook - and getting engaged is the perfect reason. *Leather personal planner, £51, Kikki. K*
