

TGI FRIDAYS Introduces Two New Limited Edition Spicy Burgers

Turn up the heat with TGI Fridays' spicy burger creations that will ignite your taste buds!

UAE, Dubai, October 2023 – TGI Fridays is spicing up its classic American dishes with two tantalizingly spicy burgers for a limited time. From the fiery Nashville Chicken burger to the sizzling Spicy Queso Beef Burger, these dynamic innovations are sure to set your taste buds ablaze and have you craving for seconds. With a signature spicy sauce concocted by a cocktail of ingredients, these mouth-watering creations are set to add an extra kick to your dining experience across all TGI Fridays branches in the UAE.

Introducing the first of these bold creations for chicken lovers is a fiery delight for spice aficionados- the Nashville Chicken Burger. The main act? A golden chicken patty generously coated in the signature spicy sauce elevated by the harmonious assembly of flavours and textures of the coleslaw and jalapeño slices. Sink your teeth into this delectable creation and prepare to challenge your spice levels.

If you have an adventurous palate, get ready to overwhelm your senses with a burst of vibrant Mexican flavours, with the Spicy Queso Beef Burger. With each bite of this enticingly delectable composition, you get to taste the freshness of the crispy lettuce, the tanginess of jalapenos, and the spiciness of the onions. And to top it all, the cheesiness of the queso over the succulent beef patty will have you craving for more.

To try these delectably picante dishes, TGI Fridays has set aside two meal options. A hearty burger and fries meal will cost you AED 39 and for AED 49, you can enjoy the burger and fries, with a chilled soft drink to wash down the grease and quench your thirst.

Whether you need a mid-week boost or a weekend cheat meal, the limited edition TGI Fridays spicy burgers have got you covered. The casual dining spot noted for its American classics is kicking up the spice levels with juicy burgers that should not be missed out on. But the burning question persists-can you handle the spice? Grab your friends and family and head to your nearest TGI Fridays restaurant to find out!
