Ladurée, the French luxury Patisserie, announces the launch of its latest masterpiece, Eugénie, in UAE and other regions. An epitome of gourmet sophistication, this innovation pays tribute to Ladurée's heritage and Parisian rebellion embodied by Empress Eugénie who boldly challenged the preconceived notions and cultural canons of her time.

Captivate your senses with the allure of Eugénie through 8 iconic Ladurée flavours: Eugénie Chocolate, Eugénie Vanilla, Eugénie Pistachio, Eugénie Caramel, Eugénie Rose, Eugénie Orange Blossom, Eugénie Blackcurrant Violet, and Eugénie Tea Marie-Antoinette.

These irresistible Eugénie macarons spoil consumers with choices ranging from boxes of 6, 12, or 18, each revealing an unexpected marriage of flavours that burst from the tenderness of the caramel heart, and the decadent crunch of a chocolate shell all delicately assembled within crispness of the gluten-free shortbread.

Delight in Eugénie's gentle hues and authentic flavours crafted from exceptional ingredients including natural tints with the perfect touch of sweetness. Encompassed in gift boxes adorned with the iconic "toile de Jouy" pattern and intricate pastry designs promising delicious delights and cherishing the secrets of Ladurée's craftsmanship.
