Digital Signage:

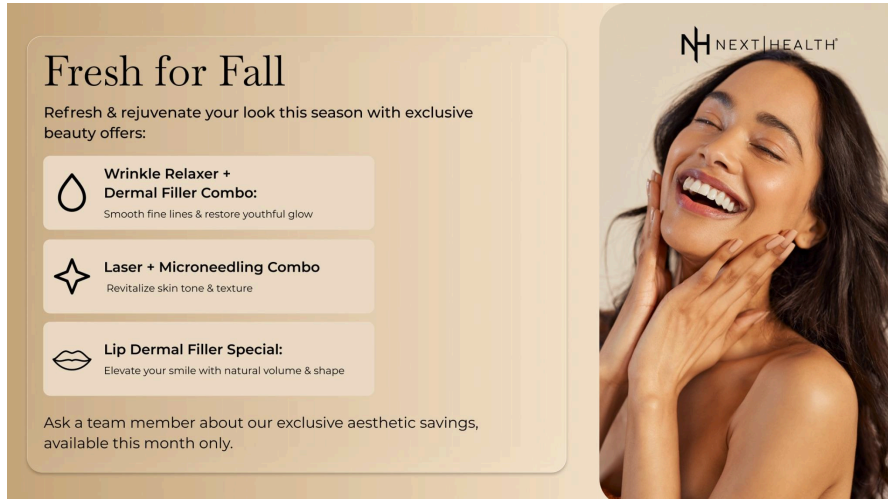

NH LONGEVITY MEDICINE

Skeletal muscle is metabolic medicine

Build lean muscle to lower cardiac strain, protect your heart, and extend your lifespan

The image shows a digital signage screen with a light blue background. On the right side, there is a large, detailed, metallic-looking illustration of a human heart. On the left side, the text is arranged vertically, starting with the 'NH LONGEVITY MEDICINE' logo, followed by the headline 'Skeletal muscle is metabolic medicine', and then a sub-headline about building lean muscle.
