Repost from @belt_fed using @RepostRegramApp - Bench felt good! Today it felt great started with 315 for 10 and once i racked it i knew today was gonna be a good day! Moved up to 485 for the last single and did backed downs with @benchblokz close grip stopped at 405 with that. #iammilitarymuscle #supportmilitarymuscle #benchpress #benchblokz #fitness #fitfam #gymlife #musclegenresearch #musclegenmilitia #anabolism #firestim #upliftothers #progress #gymmotivation #andersonpowerlifting #saturdaysarefortheboys #gallongear

If you are training early in the morning or shortly after work without a good pre workout, carb enriched meal, chances are you'll be feeling a bit flat during your training session ☐ Your lifting game will be far from optimal, and your cardiovascular system won't be working as hard as it could ☐ What's even worse is that without carbs, your body will break down muscle tissue to find the energy it needs if you don't consume enough carbs ☐ #byebyemuscles ☐
