**10.0 Spectacular**

The hotel was fantastic. Best all inclusive we've been on. Food, entertainment, staff, rooms...everything was top quality. Really appreciate the places commitment to the environment too with low plastic used (glass bottles etc.). We will return.

Top Tip: The toy shop in the lobby is a bit pricey!

The river has some amazing nature including turtles, fish, frogs, herons, cormorants and kingfishers.

The cocktails are surprisingly good. Loved them all.
