Product Details

If you haven't tried glass fusing, this is the perfect time!

Create your own Fused Glass Hamsa.

Glass Kits contains:

- · a clear glass base
- · many colorful pieces of glass for your design
- glue

Bring your Hamsa to us for firing when done.

Please use only supplied glass.

Outside glass is not compatible and will ruin your Hamsa during the firing process!!!

This cleans up the look of the page and makes the description much easier to read and understand.
