

JF Aesthetic Skin Solution Systems

1. Clear Skin

If acne or oil are an issue with your skin, it's time to keep it clear with the JF Aesthetic Clear Skin system. This combination of medical-grade products will bring your skin into balance. *For the clearest skin, combine this skin system with our Glo Therapeutics Salicylic Acid 30% Chemical Peel.*

The Clear Skin System includes:

LactiFoam Cleanser

LactiFoam Cleanser helps remove excess lipids without over drying the skin and contains 0.5% Salicylic Acid and 3% Lactic Acid to enhance exfoliation. Suitable for all skin types.

Directions: Mix foamy cleanser with water and wash face.

MoistuRiche™ Sheer Moisturizer

This product contains combinations of Ceramides, Fatty Acids and Cholesterol, which help restore the skin's natural moisture barrier from within. This elegant, patented formulation can be used day or night and are both fragrance and steroid-free. Suitable for combination or oily skin types. **Directions:** Apply thin layer to full face and neck twice a day for a light touch of moisture.

Weekly Mini-Peel Brightener

The Weekly Mini-Peel Brightener contains Phytic (7%), Lactic (5%) and Azaleic (3%) acids. This at-home exfoliating agent aids in skin cell turnover and leaves skin instantly brightened. Suitable for all skin types. **Directions:** Swipe pad over full face and neck, using both sides of pad. Skin may feel tingly. Leave product on for 15 minutes and wash off. Gradually build up tolerance to leave product on skin overnight. Use one time per week.

2. Age With Grace

Aging is a fact of life, but it doesn't mean you have to look like you're aging while you're doing it. This unique combination of medical-grade products is your key to aging with grace.

For the most youthful-looking skin, combine this skin system with our AFA Amino Acid Chemical Peel.

The Age With Grace system includes:

MoistuRiche™ Repair Cream : \$42.00

This product contains a combination of Ceramides, Fatty Acids and Cholesterol in a gentle Lecithin-based emulsifier designed to help restore the skin's natural moisture barrier from within. This moisturizer has been clinically proven to reduce dry, cracked and flakey skin.

MoistuRiche™ Repair Cream is 100% fragrance, paraben and propylene glycol-free. Suitable for dry skin types. **Directions:** Apply thin layer to full face and neck twice a day for deep moisture.

Retinol 50 Serum: \$55.00

Retinol 50 Serum is a form of Vitamin A and regular use will improve the appearance of fine lines and deeper wrinkles. Our Retinol products deliver skin-rejuvenating benefits with less irritation than prescription retinoids. Suitable for all skin types. **Directions:** Apply 5-8 drops of serum into hand and gently pat over full face and neck. Use this product every night or as directed by your health care provider.

Weekly Mini-Peel Brightener: \$48.00

The Weekly Mini-Peel Brightener contains Phytic (7%), Lactic (5%) and Azaleic (3%) acids. This at-home exfoliating agent aids in skin cell turnover and leaves skin instantly brightened. Suitable for all skin types. **Directions:** Swipe pad over full face and neck, using both sides of pad. Skin may feel tingly. Leave product on for 15 minutes and wash off. Gradually build up tolerance to leave product on skin overnight. Use one time per week.

3. Repair & Restore

Say good-bye to sun damaged skin and hello to beautiful with our Repair & Restore skin system. Four medical-grade products, one rejuvenated face.

For the most radiant skin rejuvenation, combine this skincare system with our GLO Therapeutics Modified Jessner 14% Chemical Peel.

The Repair & Restore system includes:

LactiFoam Cleanser

LactiFoam Cleanser helps remove excess lipids without over drying the skin and contains 0.5% Salicylic Acid and 3% Lactic Acid to enhance exfoliation. Suitable for all skin types.

Directions: Mix foamy cleanser with water and wash face.

Retinol 50 Serum: \$55.00

Retinol 50 Serum is a form of Vitamin A and regular use will improve the appearance of fine lines and deeper wrinkles. Our Retinol products deliver skin-rejuvenating benefits with less irritation than prescription retinoids. Suitable for all skin types. **Directions:** Apply 5-8 drops of serum into hand and gently pat over full face and neck. Use this product every night or as directed by your health care provider.

Weekly Mini-Peel Brightener: \$48.00

The Weekly Mini-Peel Brightener contains Phytic (7%), Lactic (5%) and Azaleic (3%) acids. This at-home exfoliating agent aids in skin cell turnover and leaves skin instantly brightened.

Suitable for all skin types. **Directions:** Swipe pad over full face and neck, using both sides of pad. Skin may feel tingly. Leave product on for 15 minutes and wash off. Gradually build up tolerance to leave product on skin overnight. Use one time per week.

4. Even Skin

No one wants discolored, mottled skin! Brown or red, light or dark, this innovative combination of medical-grade products will tone spots down and even skin up.

For the smoothest results, combine this skincare system with our GLO Therapeutics Modified Jessner 14% Chemical Peel.

The Even Skin system includes:

LactiFoam Cleanser

LactiFoam Cleanser helps remove excess lipids without over drying the skin and contains 0.5% Salicylic Acid and 3% Lactic Acid to enhance exfoliation. Suitable for all skin types.

Directions: Mix foamy cleanser with water and wash face.

MoistuRiche™ Repair Cream : \$42.00

This product contains a combination of Ceramides, Fatty Acids and Cholesterol in a gentle Lecithin-based emulsifier designed to help restore the skin's natural moisture barrier from within.
