

CUSTOM APPLICATION DAYS

August 16 - 17, 2022 | Canadian Expo Center, El Reno, OK

Thank you for your interest in partnering with Western Equipment-Clinton for our Custom Application Days to be held in August 2022. This event is by invitation only to Custom Applicators across Oklahoma. At the event, they will complete valuable continuing education courses and have the opportunity to interact with suppliers like you to discuss their operation needs. Western Equipment is partnering with Oklahoma State University and the Oklahoma Department of Agriculture to provide both the training and an overall worthwhile experience. We expect a strong attendance this year and the event to provide an ROI to all involved.

Partnership Level

PREMIUM - \$2500

- Exclusive accessibility to the event for your specific industry with no competitors present
- Premium booth location
- Logo featured on all marketing material sent to prospective attendees
- Public recognition at event
- 2nd-day shared lunch sponsor - 15 minutes of stage time for short product presentation during lunch
- First right of refusal for sponsorship level at future event
