

TIBCO NOW 2018 Welcome Letter from Murray

I'd like to personally welcome you to TIBCO NOW 2018. TIBCO NOW is the premier international forum to discuss and discover "Innovation at the Edge." Whether you are in Telco, Food & Beverage, or Oil & Gas, TIBCO NOW will help you push boundaries and create exceptional customer experiences.

You'll hear from and get to spend time with some of the top minds in innovation. You'll have countless opportunities to engage with peers, partners, and TIBCO experts. I hope you take full advantage of our 100+ sessions and 20+ hands-on labs, designed to inspire, challenge, and engage you with innovative ideas. We are really excited to share our Technology Hub, a new lab for innovation projects. There, you can get in the driver's seat and experience the technology of tomorrow.

Thank you for joining us and please let us know if there is anything we can do to make your time more productive.
